

## CALLING ALL VOLUNTEERS!

*SSCV Nordic Team was the first volunteer group at Adam's Way! They dug nearly 60 holes for plants!*

We are so excited to announce we are starting our volunteer-friendly work at our Adam's Way project in Eagle! This upcoming month we will be installing trees, shrubs, sod, rock beds, and grass seed around the completed homes. We will have volunteer opportunities until August 15<sup>th</sup>! Please come out and help us make the outsides of the homes as beautiful as the insides! Visit our website [www.habitatvailvalley.org](http://www.habitatvailvalley.org) and click on the volunteer tab to sign up!

Also come out to celebrate all of these new Habitat homes and homeowners on Thursday, August 15<sup>th</sup> at the Adam's Way Home Dedication Ceremony!

## PHASE 9 COMPLETE ONTO PHASES 10 & 11

*New Homeowners making their  
Habitat House a home!*

The final homeowners were given their keys this past month marking the end of Phase 9! This brings our number of new Habitat homeowners to an unprecedented 24 this summer between the Adam's Way and Stratton Flats communities! We are so excited for our new homeowners but even more excited to continue doubling our impact in the Valley!

We have 8 foundations in the ground, ready to begin framing, once our team wraps up landscaping work in Eagle! Our future homeowners are already selected and working hard at their sweat equity hours. We hope to break ground on the second 8 homes this summer bringing our total homes under construction to 16 in Gypsum!

## BYE TO BRAD

In July, the construction team said goodbye to Brad, an AmeriCorps member that finished his term in mid-July. From digging holes to installing trim, Brad took on all new challenges with a positive attitude and helped make our 8 homes at Stratton Flats a success. Brad will be sticking around the valley to attend Colorado Mountain College, pursuing a degree in social work! Luckily, Brad has continued his generous practice of service after his term completion and has come back to volunteer already! We wish him well on his future endeavors!
