

## WALLS GOING UP ON PHASE 10

The Habitat construction team made remarkable progress this month on all 16 homes. The focus of the first 8 homes, Phase 10, was framing. The team was able to get all of the 1<sup>st</sup> floor partywalls, SIP walls, and interior walls installed in record time. Now the team can focus on moving up to the 2<sup>nd</sup> floor. Next steps will be to continue 2<sup>nd</sup> floor joists and beams and start 2<sup>nd</sup> floor subfloor, SIPs and partywalls!

*1<sup>st</sup> floor SIP panels complete!*

*2<sup>nd</sup> floor joists installed and ready for subfloor*

*Vail Resorts Employee Chris cuts wall plates*

## FOUNDATIONS STARTED ON PHASE 11

While our team was focused on framing Phase 10, our subcontractors were busy making progress on Phase 11. This past month, excavation was completed and foundation footers were poured. Next steps will be finishing the concrete foundation walls as well as waterproofing and backfilling the foundations. Then we will be ready to begin framing before it gets too chilly!

## AWESOME SEPTEMBER OF VOLUNTEERS

Every year, September stands out as one of our busiest months for volunteerism. This month, we had 11 dedicated volunteer days with community groups as well as other individuals from the valley and our future homeowners here on site. During September, we also held the 3<sup>rd</sup> annual Vail Resorts Build Week. That week alone, a total of 78 volunteers contributed nearly 515 hours to building our new Habitat homes.

*Vail Resorts Employees smiling after a great day of framing!*

Thank you to everyone that made this possible, many hands make light work!

### **Special Thanks for our September Volunteer Groups:**

*Vail Resorts (5 days)*

*ECS CLIMB Group (2 days)*

*Slifer, Smith & Frampton Group*

*LIV Sotheby's*

*KH Webb*
